LETTER FROM THE DIRECTOR OF POSTGRADUATE STUDIES

Dear Postgraduate Student,

On behalf of the Faculty of Theology I would like to welcome you to this new academic year at the Pontifical University.

First of, I wish to greet those who are entering our postgraduate community for the first time. You are most welcome to Maynooth; my colleagues and I are delighted that you have chosen to study in Maynooth, and we hope that your stay will be both fruitful and rewarding. As you begin your postgraduate studies, I would ask you to bear in mind that this time is privileged and precious. Few people have the possibility of advanced study, and few students have the opportunity to study in a context where so many academics are so accessible.

As you begin your time as a postgraduate, it is important to remember that postgraduate study demands a different set of responsibilities and responses to undergraduate study. Given the wide selection of modules, you may have to work harder to make contact with your peers. Be assured that this is worth the effort; the friendships we form at university are some of most enduring and enriching in life. Our regular research seminars provide an opportunity to discover how those at Masters and PhD level conduct and critique their research. Along with the various conferences and public lectures organized by the Faculty, they provide a rich experience of academic life. I hope you can make the time to savour this richness.

The transition from undergrad to postgrad takes time, especially at doctorate level. The doctorate is not just an academic challenge, it is a significant personal challenge. A doctoral dissertation of any value is never plain sailing; there will always be moments of crisis and doubt. Paradoxically, those difficult days and weeks are often times of great personal development and academic progress.

I also wish to greet those of you returning after the summer. I hope you have managed a change of scene and pace in the last week, and can return with new energy and a hunger for reading.

If you have any queries or concerns do not hesitate to call to my office (11 Dunboyne House), or contact me by email (seamus.oconnell@spcm.ie), or through the Theology Office. In the coming semester, feel free to drop in on Tuesdays, Wednesdays, or Thursdays between 2:00 and 3:00 pm.

In wishing us all a good academic year, I remind you of the admonition of the Lord in the Gospel of Mark: “Those who endure to the end will be saved!” (Mark 13:13). Teleology may not be always be the way to go, but it can provide excellent orientation at key moments!

With every good wish for the months ahead,

Professor Séamus O’Connell,
Director of Postgraduate Studies

September, 2015

Registered students do not necessarily need to be grant holders to apply for funding.

Applications are **means tested** and funding is **targeted** at those students who are in most financial need.

Introduction

IT Services are based in the Eolas Building on the North Campus and support the operation of the University by providing information technology (IT) and communications facilities and services to students, lecturers, researchers, administrative/support staff and, where appropriate, to the general public.

General Student Computing Facilities

The University network hosts over 2000 PCs and workstations which are used throughout the University to support research, teaching and administration. IT Services provide student computers in a number of student Public Access Computer Rooms (PACRs), on the North Campus in: Arts Building and the Callan Building and on the South Campus in: Long Corridor, the Teaching Rooms and the Library. Computing Assistants (CAs) are available in the larger PACRs to assist students.

A wide variety of software applications are installed on the PACR machines ranging from Microsoft Office to specialised software, which is used to support the teaching and research requirements of individual departments.

For more update information please check our web pages: <https://www.maynoothuniversity.ie/computer-centre/public-access-computer-rooms-pacr>

Wireless Computing

Wireless connectivity is available extensively on the North Campus and in many locations on the South Campus. All students with a valid network logon username and a suitably wireless enabled device can access the wireless network. Services available over the wireless network include the internet (web), e-learning (Moodle), email, electronic library resources, access to your personal network file share and printing (C&PS).

If you have difficulty connecting to the wireless network, support and assistance are available at wireless clinics, which are held regularly throughout the academic year.

For detailed instructions on how to connect to Maynooth University wireless network or for information on forthcoming wireless clinics, see <https://www.maynoothuniversity.ie/computer-centre/wireless>

Printing

A copying and printing service (C&PS) is available for all students. The system was introduced with the purpose of providing an up-to-date quality copying and printing service which is fully integrated with the MyCard system thus providing a convenient means of paying for copying and printing.

The system was designed with the aim of limiting the environmental impact, improving efficiency and reducing the use of consumable resources.

As this service provides more options for copying and printing we ask that you familiarize yourself with the new features to avoid misprints, duplicates or unwanted copies.

For detailed instructions on how to use the new print system, see <https://www.maynoothuniversity.ie/computer-centre/copy-and-print-service-cps>

E-learning

The university's e-learning system (Moodle) is available at <https://2015.moodle.maynoothuniversity.ie/login/index.php>

Advice and assistance in using the system is available from your lecturer and from the Centre for Teaching and Learning (CTL). See the Moodle home page for details.

A WORD FROM THE CHAPLAINS

Beginning college can be an exciting time, when you are starting a new venture, meeting new people and becoming more independent. First-year students can feel the need for support in the early weeks on campus. Along with other support services such as the Academic Advisory Office, the Student Health Centre and the Counselling Service, we are available and only too willing to help at any time. Don't feel, of course, that you need to have a reason to call on us. You are very welcome to drop by our offices in the Student Services Centre and in the Arts Building to say 'hello' whenever you wish.

You might consider joining one of the many pastoral groups on campus such as the Society of St Vincent de Paul (SVP) who organise weekly Soup Runs, Maynooth Mission Outreach (MMO) who send volunteers to the developing world during the Summer and Christian Union (CU) a multi-denominational group that explores on a weekly basis aspects of Christianity. There is a Clubs and Societies Fairs Day on Wednesday, 30th Sept. in the Sports Complex– Student Centre (North Campus) and a Campus Social Justice Week, beginning on Monday, 12th October. Check out these events - and do consider getting involved. Being in a Club, Society or a Pastoral Group is a great way of getting to meet new people and of doing worthwhile things.

Chaplaincy offers a range of support and religious services. For more on these, see the Chaplaincy Calendar, our Facebook Page, Website and the Noticeboards outside our offices and in Lower Loftus. Most of all, we want you know that we are here for you!

There will be a Mass for the Opening of the new Academic Year on Tuesday, 6 October, in the College Chapel at midday. During term-time, Mass is celebrated, Monday-Friday at 12.05pm, in St. Mary's Oratory, and on Sundays at 9.30am in St. Joseph's Oratory. Both oratories are on the South Campus. Sunday Mass is celebrated in the **Parish** Church, Vigil (Saturdays) at 7pm, Sundays at 8.45am, 10.00am, 11.30am and 1.00pm & 6pm.

St. Mary's Church of Ireland, Maynooth, Sunday Service is at 11.30am and the Presbyterian Church Sunday Service is at 10.30am in Maynooth Post-Primary School.

The Quiet Room in the Arts Building is open daily for personal reflection. If you want to get away from the busyness of life on campus and relax, this is one of the places to visit.

Again, welcome on board. Enjoy college. Take good care – and see you around!

SPORTS IN THE UNIVERSITY

Facilities

The Sports Facilities at Maynooth include three sports halls, a fitness centre and six playing fields located on both the north and South Campus. The on-campus sports facilities are free to students of the Pontifical University and Maynooth University. The Sports Centre on the North Campus is open from 8am – 10pm Monday – Friday; and 11am – 5pm Saturdays and Sundays. It is generally closed on Public Holidays.

INDOOR

Sports halls

Available from the beginning of the academic year until May, these are the practice and competition venues for almost all of our indoor sports clubs and the many aerobic dance, martial arts and fitness sessions.

The daily timetable will be finalised during the first two weeks of term. The priority order for booking is as follows: exams; inter-college competitions; club practices; fitness classes; inter-mural competitions; commercial bookings; individual/casual bookings for sports; individual/casual bookings for non-sports activities.

To book the Hall, call in to the Fitness Centre Reception on the first floor (telephone: 01-708 6406; e-mail: fitness.centre@nuim.ie). Casual bookings are subject to availability, and a minimum of 24 hours' notice is required.

Aerobics

Aerobics and circuit-training classes are run from Mondays to Thursdays inclusive each week at least once per day. Times of the classes will be confirmed on the timetable, but normally take place Mondays at 5pm and Wednesdays at 4pm and 5pm, Tuesdays and Thursdays at 6pm, with each class lasting 60 minutes.

Fitness Centre

The Fitness Centre is located on the first floor of the Sports Centre. It is a superb asset to students and staff alike and indeed the public.

The facility has been kitted out with the most up-to-date equipment, including 38 cardio-vascular stations (9 treadmills, 4 rowers, 1 stepper, 3 recumbent bikes, 5 upright bikes, 2 spinning bikes, 6 elliptical cross trainers), 17 resistance machines, and a selection of free weights.

The fitness centre is staffed at all times and operates on a commercial basis for University staff and members of the public, but is free to current students of both the Pontifical University and Maynooth University.

Free Weights Room

The Free Weights Room comprising 2 racks of dumbbells, 3 Olympic barbell sets, a 45-degree leg press, along with the necessary benches and pulleys is situated on the ground floor of the Sports Centre.

Racquetball Court

Located on the South Campus directly behind Logic House, the court can be booked and the key checked out from Conference & Accommodation Office reception.

Snooker Hall

This is run and maintained by the University's Club. The facility has three full-sized snooker tables and one pool table. Games are charged per half-hour. It is open from 9.00 a.m. to 10.00 p.m and is located in the basement of Rye Hall, North Campus. Access to the room is controlled by swipe cards. Contact must be made with the snooker club executive (see <http://sports.nuim.ie/>) to apply for membership.

OUTDOOR

Pitches and Changing: South Campus

There are four playing fields on the South Campus, including Rhetoric (floodlit, suitable for training), Highfield (one GAA, one Soccer), The Pond (one GAA).

There are two sets of changing-rooms on the South Campus: one set is beside the Museum and the other is housed in the former Casey Laboratory which is located between Rhetoric and Logic House.

Pitches and Changing: North Campus

There are three high quality sand-based turf playing fields on the North Campus: a soccer, rugby and floodlit GAA pitch.

To facilitate club training sessions and internal competitions, a new "third generation" floodlit synthetic pitch is already in use.

Six new team changing rooms serve the North Campus playing fields complex as part of the sports facility development.

Tennis Courts

There are four hard surface macadam tennis courts of a standard suitable for recreational play on the South Campus. Two flood-lit macadam tennis courts form part of the residences on the North Campus.
