Saint Patrick's College, Maynooth

I extend a very warm Céad Míle Fáilte to you as we begin a new academic year at Saint Patrick's College, Maynooth. If you are embarking upon your first year with us, you are especially welcome.

On our beautiful campus, we are fortunate to have three different institutions of learning, each of which contributes to a very vibrant, dynamic and enriching place of higher learning, formation and research. Pontifical University staff and students share the campus with their colleagues in the National Seminary and National University of Ireland, Maynooth [*Maynooth University*].

The college is justly proud of its long-standing tradition of commitment to high quality education and student services, provided by a responsive faculty, staff, and administration. Many of our alumni and current students cite close interaction with faculty members as hallmarks of their educational experience at Maynooth.

One of the hallmarks of St Patrick's College is our commitment to each student, to deliver a high quality third and fourth level educational experience, one that is at once academically challenging and personally supportive. St Patrick's College will continue to provide students with a solid academic foundation, a strong spiritual base and a value-added research and recreational environment, capable of generating graduates who are equipped with the requisite knowledge and leadership skills to excel in their career fields or vocational callings. Your years at Maynooth are truly a time of rich opportunity for intellectual, personal, spiritual and human development.

As we embark on a new academic year together, faculty, staff and student body alike, are on a journey of faith, discovery, leadership and community. Our common goal is the education and formation of leaders: for the church, our country, our communities, the professions and a myriad of different walks of life. Let us make the most of this piece of the road that we will share together!

I am looking forward to serving you, and would like to thank you again for making Saint Patrick's College, Maynooth your university.

Reverend Professor Michael Mullaney
President

Coláiste Phádraig, Má Nuad

Fáiltím romhat agus tú ag cur tús le bliain acadúil nua ag Coláiste Phádraig, Má Nuad. Tá fáilte romhat go háirithe más í seo an chéad bhliain agat linn.

Tá an t-ádh orainn go bhfuil trí institiúid éagsúla foghlama ar an gcampas den scoth atá againn, agus cuidíonn gach aon cheann acu chun áit bhríomhar, dinimiciúil agus saibhrithe a chruthú don ardfhoghlaim, don mhúnlú agus don taighde. Roinneann foireann agus mic léinn na hOllscoile Pontaifiúil an campas lenár gcomhghleacaithe sa Chliarscoil Náisiúnta

agus in Ollscoil na hÉireann, Má Nuad [*Ollscoil Má Nuad*].

Tá an coláiste fíor-bhródúil as an traidisiún fada tiomantais a sholáthraíonn na dámha, an fhoireann agus an lucht riaracháin ó thaobh cúrsaí oideachais agus seirbhísí do mhic léinn ar ardchaighdeán. Deir go leor dár n-alumni agus na mic léinn atá againn faoi láthair go mbíonn an idirghníomhú dlúth a bhíonn acu le comhaltaí dáimhe mar shaintréith dá dtaithí oideachais ag Má Nuad.

Ar cheann de na sainmharcanna de Choláiste Naomh Pádraig is é sin ár dtiomantas go bhfaighidh gach mac léinn, taithe oideachais ar an tríú nó ar an ceathrú leibhéal a bheidh ar ardchaighdeán, taithe a mbeidh dúshlán acadúil ann dóibh agus a thabharfaidh tacaíocht phearsanta don duine. Leanfaidh Coláiste Phádraig ag tabhairt bunchloch acadúil dlúth agus bunús spioradálta láidir i dtimpeallacht ardluach taighde agus áineasa do mhic léinn agus cruthófar céimithe a mbeidh an t-eolas riachtanach agus na scileanna ceannaireachta acu a bheidh uathu chun déanamh chomh maith agus is féidir leo ina ngairmeacha beatha nó ina nglaoch gairme. Is tréimhse ina mbeidh deiseanna iontacha ann duit na blianta ag Má Nuad ó thaobh forbairt intleachtúil, phearsanta, spioradálta agus forbartha daonna.

Agus sinn ag tabhairt faoi bhliain acadúil nua le chéile, beidh an dámh, an fhoireann agus na mic léinn araon ag tabhairt faoi thuras creidimh, fionnachtana, ceannaireachta agus pobail. Is é an sprioc atá againn go léir oideachas agus foirmlíú ceannairí: don eaglais, dár dtír, dár bpobail, do na gairmithe agus d'iliomad roghanna eile sa saol. Tá súil agam go mbainfidid an méid tairbhe agus is féidir as an bpíosá bóthair seo a mbeimid i dteannta a chéile!

Táimid ag súil go mór freastal ort agus gabhaimid buíochas leat arís as Coláiste Phádraig, Má Nuad a roghnú.

An tAthair Ollamh Mícheal O'Maolanaigh
Uachtarán

Undergraduate - Free Fees Initiative and Grants

The BTh and the BATH Degree courses qualify for the Government's 'Free Fees' Scheme and for Higher Education Grants (SUSI). The total fee of €5,767 above is inclusive of €3,000 Student Contribution and €138 Student Levy. Non Grant Holders, who are entitled to free fees, must pay the student contribution of €3,000 plus the student levy of €138. Eligible grant holders, who must apply to Student Universal Support Ireland (SUSI) for approval, may have part or all of the student contribution paid by SUSI. All students are liable for the student levy.

New & Existing Undergraduate Students:

The Course Fee includes tuition and examination fees, but does not include repeat examination fees, late payment fees or late registration fees.

Tuition fees may be paid by the Exchequer in respect of EU nationals who have been ordinarily resident in an EU/EEA/Swiss State for at least three of the five years preceding their entry to their third-level course and who meet the criteria of

the scheme. Eligibility under the scheme is determined at date of entry to the course.

The scheme is subject to the the following conditions:

1. Tuition fees will be paid in respect only of students attending full-time undergraduate courses.
2. The courses must, other than exceptionally, be of a minimum of two years duration.
3. Tuition fees will not be paid in respect of:
 - students pursuing a second undergraduate course.
 - students who already hold a postgraduate qualification

Notwithstanding this condition and subject to compliance with the other conditions of the Free Fees initiative, students who already hold a Level 6 qualification (Higher Certificate or National Certificate) or a Level 7 qualification (Ordinary Bachelor Degree or National Diploma) and are progressing to a Level 8 (Honours Bachelor Degree) course without necessarily having received an exemption from the normal duration of the course may be deemed eligible for free fees.

4. Tuition fees will also not be paid in respect of students undertaking a repeat year of study at the same year level. In this regard, this condition may be waived where evidence of exceptional circumstances, such as cases of certified serious illness, is provided.
5. Subject to compliance with the other conditions of the Free Fees initiative, students who have previously pursued but have not completed a course of third level study and subsequently resume third level studies:
 - a) may be deemed eligible for free fees where the third level course concerned did not attract any exchequer funding (e.g. fees, maintenance, tax relief, subsidy towards course cost)
 - b) are not eligible for free fees for the equivalent period of time spent on the first course of study where the third level course concerned did attract exchequer funding (as above). Part-time and evening students are included in this category.
6. Tuition fees will be paid in respect of eligible students who, having attended but not completed approved courses, are returning following a break of at least five years in order to pursue approved courses at the same level in the 2016/2017 academic year.

7. The tuition fees payable do not include the payment to be made by students towards the cost of registration, examination and student services.

Further details of the scheme including nationality criteria to be applied are available at <http://www.studentfinance.ie/mp9377/course-fees/index.html>

Retiring from a 'Free Fees' Undergraduate Course:

In September, the College is obliged to confirm to the Department of Education and Skills the names of all students who register. This process is repeated in February for those still registered. Students retiring from University must notify the Theology Office, and return their student ID card without delay. They must complete an official College withdrawal form in the Theology Office to confirm that they are de-registered. Students who fail to complete the official withdrawal form may have free fees claimed on their behalf and be liable for full fees if attending another course subsequently.

Fee Implications for:

- **Students retiring before 31st October**
Students who register but withdraw before October 31st are charged a €138 administration fee to be held from any monies already paid. Students who have not paid any amount will need to pay €138 in order to de-register.
- **Students retiring in order to pursue a different course**
If a student accepts a place and then retires after October 31st and prior to 31st January, the student will subsequently become liable for fees for a half year if attending the same level of a third level course within the next five years.
- **Students retiring after 31st January**
Full fees will be claimed from the Department of Education and Skills for students in attendance at the beginning of the second term. Any student retiring after 31st January will become liable for full fees if attending the same year level of a third level course within the next five years.
- **Students retiring on medical or other grounds**
Students retiring in exceptional circumstances such as certified illness may apply to the Acting Registrar (Rev. Michael Shortall) for permission to re-attend as 'Free Fee' Students.

Undergraduate Students:

Continuing students and first time applicants, having accepted a place via the CAO for the Academic year, should pay their fees online at <https://pay.maynoothcollege.ie/>. Information on how to do so will be sent to students in August 2017.

- Non grant-holders entitled to free fees, are required to pay €3,138, which includes Student Contribution of €3,000 and the Student Levy of €138. Payment can be made as follows:
 - In Full i.e. €3,138 : to be paid by 8th September 2017
 - Or by instalment -

Funding - Student Assistance Fund

The Student Assistance Fund (SAF) is co-funded by the Irish Government and European Union under the European Social Fund Human Capital Investment Programme 2014-2020. The Fund is best described as a contributory payment which helps students meet some of the **extra** costs associated with being at university. Registered students do not necessarily need to be grant holders to apply for funding.

Applications are **means tested** and funding is **targeted** at those students who are in most financial need.

Funding is available to **all full-time registered students** of the Pontifical University attending an approved course. Full details of the Fund are available at <https://www.maynoothuniversity.ie/access-office/student-assistance-fund>. Details of approved courses are available at

Disciplinary Code for Students

Introduction

The purpose of a code of discipline within Saint Patrick's College is to ensure that the pursuit of the objectives of the College shall not be disrupted. These are primarily the advancement, promotion, gathering and dissemination of knowledge and understanding through research, teaching, learning and rational discussion. To enable these aims to be fulfilled in a satisfactory manner it is necessary that a suitable academic environment be maintained. A code of discipline is a positive thing, which promotes concern and respect for people's rights and property. This helps to enhance the quality of life for all members of the College community - staff and students. A student who registers for any course in the College shall be expected to accept these objectives and to observe the rules and regulations of the College.

A Committee of Discipline exists to help maintain good discipline within the College and its general environs.

The Code of discipline and its implementation are subject to the present Statutes of the College and to amendment by the College authorities. The Code of Discipline is subject to review at such intervals and in such manner as the College authorities consider appropriate.

Rules and Breaches

The two basic rules of the Code of Discipline are:

1. Every student is expected and required to respect the rights of fellow students and the authority of the College academic and other staff in the performance of their duties. At all times every student is expected to observe the rules and regulations of the College and conduct themselves in a manner conducive to the academic environment of the College and the promotion of its objectives.
2. Every student is expected and required to respect the rights of fellow students in the enjoyment of the facilities of the College, including its clubs and societies, and all privileges in relation to those facilities, and to observe applicable rules or regulations and at all times to respect the property of the College or of other students, members of the College staff or other persons working in or visiting the College.

In interpreting the two basic rules the Committee of Discipline would normally regard as serious offences against the code such examples as:

- Plagiarism, cheating or the use of unauthorised material during an examination or other breaches of examination Regulations. Breaches of

the Examination Regulations shall be dealt with directly by Officers of the College. (See section on Plagiarism following).

- Disruption of teaching, study, research or administration of the College.
- Obstruction of members of the College administrative staff, academic staff, officers, students or servants of the College in the performance of their duties.
- Furnishing false information to the College with intent to deceive or in circumstances calculated to deceive.
- Forging, alteration, or misuse of College documents, records or identity cards.
- Intimidation or harassment of any kind, physical abuse or verbal abuse of a defamatory character of another person.
- Malicious or reckless damage or theft of College property or any other property on the College grounds. Misuse of College property including library materials or private property on the campus.
- Forcible occupation of College buildings or grounds.
- Unwarranted interference with the College's safety equipment, fire fighting equipment, security systems and alarm systems.
- On or off-campus conduct likely to bring the College into disrepute.
- Engaging in activities that contravene the laws of the State, and infringe either of the College's two basic rules of discipline.
- Refusal to produce a Student Identity Card when requested to do so by a College Staff member who shall identify himself / herself.
- Failure to pay a fine or comply with a disciplinary sanction imposed for a breach of discipline (subject to any right of appeal applicable).
- A serious failure to comply with the regulations governing the use of College Computer services (Code of Conduct for users of Computing Facilities listed below) and Library services which, in the case of a breach of Library Regulations, has not been dealt with by the librarian in accordance with the terms of those regulations.

Membership of the Committee of Discipline

The Committee of Discipline shall comprise:

- Dean of the Faculty of Theology or his delegate
- Two members of the Faculty elected by the Council of the Faculty
- One of the two student representatives on the Council of the Faculty of Theology.

Academic members are elected for a period of three years, student representatives for a period of one year.

The Dean or his delegate shall be the Chairman of the Committee and one member of the Faculty shall be the Secretary. Three members, one at least of whom must be a student representative, shall constitute a quorum. Should a

meeting duly called fail to have a quorum because no student representative is in attendance, then the proposed meeting may proceed within a reasonable time, provided that three committee members are in attendance. An agenda will be circulated in advance of Committee meetings and its deliberations will be kept in confidence. In the event of a tie, the Chairman shall have a casting vote.

Procedure

It is open to any staff or student member of the College community to report in writing any alleged breach of discipline to the Chairman of the Committee of Discipline. If an allegation of a serious breach of the Code has been made against a student, the President of the College or his nominee shall have the power to exclude that student from College premises, if he deems fit, while the alleged breach of discipline is being investigated.

The Chairman of the Committee of Discipline is empowered to handle summarily what he regards as minor breaches of the Code of Discipline. In cases where he adjudges the alleged breach to be of a serious character he shall refer the issue in writing to the Committee of Discipline at the earliest convenient opportunity.

An appeal from a decision by the Chairman of the committee of Discipline shall be to the Committee of Discipline (excluding the Chairman). The appeal procedure shall apply to such an appeal only to the extent relevant. A reasonable effort must be made to inform the student in writing of the alleged breach:

- Detailing the nature of the allegation, and any grounds on which it has been made
- Informing the student of his / her rights and
- Inviting him / her to attend a meeting of the Committee of Discipline convened to deal with the allegation, and to make such representations in relation to the allegation as he or she sees fit.

The student is entitled to have present to assist him / her at the meeting a representative who is a registered student or a member of the academic or administrative staff of the College.

The College or the student in question may have a legal adviser present at the meeting, subject to prior notice having been given to the student or the Committee as the case may be. If a student fails to respond to such an invitation, and / or to present himself or herself at the meeting, the matter may be dealt with in his / her absence.

If a member of the Committee of Discipline is a complainant or is otherwise involved in the alleged breach of conduct, he / she shall be replaced at the meeting by a nominee of the President of the College. The Committee, having considered

the allegation, the evidence received in relation to it, and any representations made by or on behalf of the student, and made such enquiries as it sees fit, shall deliberate in private and shall notify the student of the outcome within three days, where practicable. The Committee shall forward a written report of its handling of any serious breach of conduct to the President and, in the event of an appeal, following the expiry of that appeal, to the Dean of the appropriate Faculty.

Where a Head of Department or the Head of Security (hereinafter referred to as “the Relevant Head”) becomes aware of a breach of the Code of Discipline of the type described below, he or she may elect not to refer the breach to the Committee of Discipline where: in his / her opinion,

- the breach is such that it could appropriately be dealt with by the Relevant Head
- the student has admitted the breach of the Code, and confirmed in writing that he or she wishes to have the matter dealt with by the Relevant Head.

The Relevant Head shall promptly inform the Chairman of the committee of Discipline that he or she is dealing with such a breach. The disciplinary sanctions which may be imposed by a relevant head are confined to a fine not exceeding €64, campus service up to 5 hours, a reprimand, warning or advice, and repay compensation for loss or damage caused.

In deciding what disciplinary sanction will apply, the Relevant Head will ensure that the student is informed of the full case against him / her, and offer the student an opportunity to explain any mitigating circumstances to the Relevant Head. A written summary of the facts of, and the decision taken, in any such case will be supplied to the Chairman of the Committee of Discipline. An appeal from a decision by the Relevant head shall be to the Chairman of the Committee of Discipline, and the appeal procedures shall apply to such an appeal only to the extent relevant.

Disciplinary Sanctions

The Committee of Discipline may recommend to the President that the following sanctions be imposed upon a student who has been found in breach of discipline.

- *Expulsion* - that the student ceases to be a member of the College and that he / she be barred from any property occupied by the College. This penalty shall appear on the student’s record permanently.
- *Withdrawal* - that the student be requested to withdraw from the College permanently or for a stated period, or until he / she has complied with the requirements laid down by the Committee.
- *Suspension* - that the student be suspended from the College, or be barred from certain activities for a stated period, or until he / she has

complied with the requirements laid down by the Committee, or the Relevant Head.

- *Fine* - that the student be fined a sum determined by the Committee or the Relevant Head.
- *Campus Service* - that the student be required to carry out a period of service on the College Campus of a nature and on such terms as are determined by the Committee or the Relevant Head
- *Reprimand* - that the student be reprimanded and warned that if further breaches of discipline occur in future his / her present breach would be taken into consideration by the Committee or the Relevant Head in making a decision.
- *Conditional Discharge* - that no further action be taken against the student, provided he / she fulfils the conditions laid down by the Committee. The Committee reserves the right to impose conditions involving compensation in the case of damage to property or persons. The Committee may also give an absolute discharge. Save as provided above, any sanction imposed shall appear on the student's record for such period of time as the Committee may decide.

Appeal Procedure

A student who is aggrieved by a decision of the Committee of Discipline shall have the right of appeal to the President of the College. The President may, at his discretion, nominate an Appeal Committee of three people to conduct an inquiry into the appeal. An Appeal Committee shall consist of two nominees of the President, one of whom must be a member of the academic staff. A third member shall be a student, nominated by the President of the Student's Union. The appointment of an appeal Committee shall be notified to the student in question. No member of the Committee of Discipline which made the appealed decision shall be a member of an Appeal Committee.

Appeals must be brought within twenty eight days of the date of service of the original decision. References below to the appellate authority are to the President, or where he decides that an appeal will be dealt with by an Appeal Committee, the Appeal Committee. Appeals will not normally involve a rehearing of the evidence but arrangements must be made for written submissions, appearing in person and / or producing fresh evidence.

The student shall convey in writing to the appellate authority the grounds of the appeal and any relevant evidence supportive of the case for appeal. The aggrieved student may also represent his / her case in person to the appellate authority, and may be accompanied by a registered student or by a member of the academic or administrative staff of the College. The College or student may

have a legal adviser present subject to prior notice having been given to the student or the appellate authority.

The appellate authority may affirm, reverse or vary any decision of the Committee of Discipline, or remit the case to the Committee of Discipline for reconsideration. The decision arrived at through the appeals procedure shall be final.

Plagiarism

It is recognized that nearly all assignments and essays draw on the work of others: published research and critical commentary, lecturers' notes and handouts, etc. The effective use and evaluation of existing material are among the skills that students are expected to develop.

Material is cited in order to contribute to a larger line of argument, or to be subjected to scrutiny, or to be combined with other material in order to arrive at new perspectives; value should be added by some original thinking in the way in which it is used. In all cases, the source of the material (an idea or opinion, a quote, data, etc) must be acknowledged in a standard form of referencing.

Plagiarism is the passing off of another person's work as your own. It includes copying without acknowledgement from a published source (print or electronic), or from unpublished sources (eg another student's essay or notes). Plagiarism occurs when material is copied word for word, but not only in that circumstance. Plagiarism also occurs when the substance or argument of a text is copied even with some verbal alterations, such as in paraphrase or translation, without acknowledgement.

Plagiarism includes using material from books or periodicals, from the internet, from grind tutors, or from other students, without full acknowledgement of the sources. Copying and collusion are related to plagiarism. Copying occurs when a student copies work from a peer, with or without the consent of the original author. Collusion is when students collaborate to present work as if it were individual and original. Both copying and collusion are forms of plagiarism.

In instances where two or more purportedly original assignments show clearly derivative similarities that are unacknowledged, they shall both or all be treated as plagiarism unless the contrary can be demonstrated.

Plagiarism in any form of assignment contributing to marks or a grade for a course is a serious offence. It is a form of cheating on several counts: the perpetrator is attempting to obtain credit for work not done, and is also attempting to benefit

from work done by somebody else. Plagiarism undercuts the whole thrust of scholarly enquiry that is the essence of education.

Plagiarism will be severely penalised wherever it is detected. Students submitting assignments, essays, dissertations or any form of work for assessment may be required to sign a declaration that the material in question is wholly their own work except where indicated by referencing or acknowledgement.

Students should provide adequate and accurate referencing for their assignments. Gordon Harvey, *Writing with Sources: A Guide for Students*, (Hackett Publishing Company, 1998) is one of a number of booklets outlining good practice in reference and citation.

Disciplinary Consequences

Plagiarism is a form of academic dishonesty and will be treated with the utmost seriousness wherever discovered. Examiners, tutors and markers are required to report instances of suspected plagiarism to the relevant Head of Department concerned.

Any student submitting written work for continuous assessment can be asked by the marker or the department to take a further test. This may take the form of an oral examination on the assignment in question and related issues, or the writing of a test paper in controlled conditions. Requiring a student to take such a test does not necessarily imply that plagiarism is suspected.

In instances where an element forming part of an assignment (from a phrase or sentence up to a paragraph or two) is found to be plagiarised, marks will be deducted for that assignment, there will be no possibility of submitting a "makeup" assignment, and previous and subsequent work submitted in connection with the course may be subject to particular scrutiny. While the amount of marks deducted will be proportionate to the extent of the plagiarised material, the deduction may be severe.

In instances where a significant part or all of an assignment is found to be plagiarised, zero marks may be awarded for that assignment, there may be no possibility of submitting a "makeup" assignment, and previous and subsequent work submitted in connection with the course may be subject to particular scrutiny. In serious cases the plagiarism will be reported to the Supervisor of Examinations and the Committee of Discipline.

Plagiarism in postgraduate or research material is a particularly serious offence. Penalties imposed may involve suspension or expulsion from the course and from the University, in addition to deduction of marks. Early offenders may be required to attend educative classes.

Nothing herein shall constitute as "inappropriate behaviour" the legitimate exercise of responsibility by the President and / or the Seminary Council and / or the Trustees of the College in the upholding of the Seminary Rule, this Policy and adherence to the College Statutes.

Additional Requirements of the National Seminary

All members of the community must comply with those requirements set out in the Policy. The conduct and behaviour required of seminarians in addition to this Policy is set out in the Seminary Rule.

Principles

The objectives of this Policy are to:

1. Define "inappropriate behaviour";
2. Promote awareness of the issue amongst members of the College community;
3. Provide an effective procedure for dealing with allegations of inappropriate behaviour;
4. Explain the possible outcomes if inappropriate behaviour is established.

Definitions

“Inappropriate behaviour” may be intentional or unintentional. However, it must be noted that where an allegation of inappropriate behaviour is made, the intention of the alleged bullying or harassment is irrelevant. It is the effect of the behaviour upon the individual which is important. “Inappropriate behaviour” includes but is not limited to, Sexual Harassment, Harassment and Bullying which are defined as follows:-

A. Sexual Harassment

The definition of sexual harassment includes any:-

- a. act of physical intimacy;
- b. request for sexual favours;
- c. other act or conduct including spoken words, gestures, or the production, display or circulation of written words, pictures or other material that is unwelcome and could reasonably be regarded as sexually offensive, humiliating or intimidating.

B. Harassment

The definition of harassment is similar to that of sexual harassment but without the sexual element.

Harassment is any act or conduct (including spoken words, gestures, or the production, display or circulation of written words, pictures or other material), if the action or conduct is unwelcome to the recipient and could reasonably be regarded, in relation to the “relevant characteristic” of the recipient, as offensive, humiliating, or intimidating.

“Relevant characteristics” (as defined by the Employment Equality Acts, 1998 and 2004 and the Equal Status Acts 2000 and 2004) are:

gender; marital status; family status; sexual orientation; religious belief (or none); age; disability; race, colour, nationality or ethnic or national origin; or membership of the Traveller community.

C. Bullying

Repeated inappropriate behaviour, direct and indirect, whether verbal, physical or otherwise, conducted by one or more persons against another or others which could reasonably be regarded as undermining the individual’s right to dignity in their place of work or study.

An isolated incident of the behaviour described in this definition may be an affront to dignity in their place of work or study, of itself is grounds for disciplinary action but, as a once off incident, it is not considered to be bullying.

Effects of Harassment / Bullying

Harassment and bullying have serious ramifications for both the victim and the College. They can seriously affect the health and well-being of the individual. They can undermine the self-confidence of students or staff by communicated to them that they are not taken seriously or accorded the personal respect to which they are entitled. They also impact on the broader College community and may have serious negative implications.

Protection against victimisation

Where in good faith a member of the College Community reports an incident of alleged inappropriate behaviour or assists in any way in an investigation into same, the College will provide such member with all reasonable protection against victimisation.

Any member of the College community, who victimises another member who has reported an incident of alleged inappropriate behaviour or assisted in any way in an investigation into same, may be subject to disciplinary action by the College.

Malicious complaints

Any member of the College community, who maliciously makes a false complaint of inappropriate behaviour, may be subject to disciplinary action by the College.

Complaints Procedure

1. Persons who make complaints regarding inappropriate behaviour are encouraged to raise their concerns at the earliest opportunity.
2. A Designated Person is to be appointed by the Trustees to hear concerns of students in relation to the inappropriate behaviour of any member of the College community towards another member of the College Community. This person has the assistance of two further persons with appropriate training and competence and together they are referred to as “the Panel”. The name, address and telephone number of the Designated Person shall be given to all students who are to be informed of the role of this person.
3. Where there is a complaint the Designated Person and another member of the Panel shall meet the complainant and listen to their complaint. The Designated Person will where possible avail of the services of the full Panel to evaluate the concerns.
4. Where the conduct complained of is violent or criminal in nature, the Gardai should be contacted without delay by the designated person. The complainant should be encouraged and supported to make a complaint to the Gardai.
5. Where the conduct complained of so warrants, the Panel may recommend that the Designated Person deal with it in an informal manner.

6. If the Panel is of the opinion that a prima facie case of inappropriate behaviour has been established and that it is not suitable for informal resolution, the Designated Person will refer the matter to the President for further action. The President shall communicate the concern to the member of the College community involved. The President will advise the Chairman of the Trustees of the concern and together they will judge how best to proceed.

7. Where the complaint is in relation to the President or a personal guest of the President, the Designated Person shall communicate the result of their inquiries to the Chairman of the Trustees. The Chairman shall tell the President of the complaint and inform him of the procedures which it is envisaged will be followed in its regard.

8. Confidentiality will be maintained throughout any investigation to the extent that it is consistent with the requirements of a fair investigation. All individuals involved in the procedure referred to are expected to maintain the utmost confidentiality on the subject. However, appropriate persons will be obliged to disclose the details of any complaint to such persons and to such extent as is necessary to investigate the complaint.

9. Care shall be taken at all times to follow fair procedures and not to impugn unjustly the good name of any person.

Outcome

1. Any member of the College community who is found to have engaged in inappropriate behaviour may be subject to disciplinary action and / or other sanctions, which in the case of employees may include dismissal for serious offences. Penalties and procedures are in accordance with the normal disciplinary procedure and / or employee’s contract of employment and / or the students’ Code of Discipline.

2. Persons found to have engaged in inappropriate behaviour who are neither staff nor students of the College may be excluded from the campus.

Online versions of these tutorials are available from the Library website. Members of Library staff are available to help with general enquiries at the desks in the foyer.
