Higher Diploma in Theological Studies

Course Director: Rev. Neil Xavier O’Donoghue, Ph.D.

This one-year, evening/weekend, Level 8, 65 ECTS credits programme gives a foundation in Theological Studies to students who hold a primary degree in another discipline. This Higher Diploma meets all the Teaching Council of Ireland’s Requirements for the teaching of Religious Studies at post-primary level. It entitles teachers holding Department-recognised degrees and teacher training qualifications to teach up to 15 hours’ Religious Education per week in a secondary school.

The Higher Diploma in Theological Studies from St. Patrick’s College Maynooth attests to the completion of a substantial and coherent programme of learning. The Higher Diploma allows students to finish an accredited introductory programme in theology and to obtain a credential for it. Other students may use the programme as a gateway to applying to a Masters programme in Theology or Pastoral Ministry either here in Maynooth or elsewhere (students interested in entering a Master’s programme are advised to speak with the Admissions Office prior to starting the HDip for further details). Certificates in Catholic Religious Education and Theological Studies

Course Director: Rev. Dr. John-Paul Sheridan

Introduction

The Certificate and Post-Graduate Certificate in Catholic Religious Education and Theological Studies are offered alongside the Bachelor of Education and Professional Masters in Education (Primary Teaching) awarded by Maynooth University (MU). It is designed to educate teachers in foundational knowledge and equip them with the pedagogical skills necessary for communicating the Catholic faith in primary schools. Offered in collaboration with the Froebel Department of Primary and Early Childhood Education (Maynooth University), it aims to form teachers capable of responding to the many spiritual and religious opportunities and challenges facing pupils.

The Educational Writings of Friedrich Froebel (1782-1852) outline his philosophy on early childhood education, importance of play and activity, and child-centred methodologies. His writings have much in common with the philosophy at the heart of Catholic Education. From the point of view of equipping future teachers for Catholic schools, the following points are of particular relevance.

- The concept of the "unison" between nature and the human person is sprung from one and the same Creator. This is called "inner-connection";
- The recognition of truth begins in the real, visible world in the phenomena of nature, in which the laws of God are to be found, learned, and known as unchangeable;
- In all things, there lives and reigns an eternal law. This law is based on an eternal unity. This unity is God. All things have come from God, and have their origin in the Divine Unity, in God alone.

In line with the prerequisites of the Irish Catholic Bishops Conference, the programme presents the foundational disciplines of Catholic theology and models and practices of religious education that can enable teachers to teach in a child-centred, developmentally appropriate manner, while exploring the teacher's own Catholic identity, while respecting the diverse religious experience of contemporary society. Catholic schools in many jurisdictions, including Northern Ireland, the Great Britain and Australia, require an equivalent of this Certificate.

Diploma in Religious Studies

(Not running in the Current Academic Year)

The Diploma in Religious Studies is a one-year full-time programme in Religious Studies. Its principal purpose is to provide a theological exposition of the Christian life. It does this by imparting such information that its students will understand the authentic teaching of the Church, and recognise its relevance to themselves and to the secularised world of today. The programme is ideal for priests, religious and lay people, particularly those involved in education.

Admission Requirements

A student must have attained the standard required for matriculation in an Irish University or equivalent institution. Mature students may be accepted, if in the judgement of the Registrar they have attained an adequate educational standard.

Programme of Study

The programme is tailored to the needs and interests of the student. From the BD programme a student is required to take four lectures per week in Systematic Theology and Moral Theology, and two in both Old and New Testament. In consultation with the programme Director, the students can pick the courses best suited to them. In addition they also take two elective subjects of their choice from the programme.

Assessment

The award of the Diploma in Religious Studies will be based on the assessment of written examinations, essays and other work throughout the year.

Diploma in Pastoral Theology

Director of Pastoral Theology: Dr Aoife McGrath

This is a level 7, introductory programme for someone preparing for ministry leadership in the Church. It forms part of a person's initial formation, preparing him/her for exercising the responsibilities of ministry, especially leadership in public prayer, pastoral care and spiritual accompaniment, and building and strengthening community. This includes acquiring specialised skills to teach in diverse settings, provide effective catechetical and faith formation, and exercise responsible stewardship of parish personnel and resources.

This level allows students to develop a specialised knowledge of theological principles as these relate to ministry practice. Students form an ability to integrate their learning from academic study and placement experiences in parish, school, and hospital settings, in order to establish a sense of ministerial identity and exercise appropriate judgment in ministry leadership.

The programme further prepares students to:

- exercise appropriate judgment in planning;
- take responsibility for forming a habit of reflective practice for ministry;
- express an internalised personal worldview, achieving self-awareness as this relates to pastoral ministry;
- interact effectively in a peer-support group setting;
- identify and analyse different ministerial approaches and pastoral responses, to exercise appropriate ministry practice in a variety of contexts.

This Diploma follows the same academic and placement schedules as the Higher Diploma in Pastoral Theology, and is awarded on the successful completion of one year's full-time or two year's part-time engagement.

Admission Requirements

Candidates who have experience in parish-based or other pastoral ministry but do not hold a primary degree may be considered for entry. They may be required to take courses in theology to qualify for admission.

Students whose first language is not English will be required to satisfy the English language requirement.

Successful individual and group interviews are an essential part of the selection process.

Programme of Study

The structure of the Diploma programme reflects an equal weighting of importance between the academic learning (50%) and pastoral practice (50%). The core modules in the programme are:

PT430: Pastoral Practice	30 Credits
PT431: Prayer Leadership	7.5 Credits
PT432: Caring and Spiritual Accompaniment	5 Credits
PT435: Organisational Leadership in Ministry Contexts	5 Credits
PT434: Theology and Pastoral Ministry	7.5 Credits
PT437: Healthcare Chaplaincy: Ministry of Presence and Visitation	2.5 Credits
PT438: Educational Chaplaincy: Ministry of Catechesis and Faith Formation	2.5 Credits

Learning Ethos

This Diploma programme places a strong emphasis on participative learning. At a personal level, the course addresses the integration of academic and practice-based learning, with a focus on growth in self-understanding as well as personal, relational, and spiritual development. Course work includes group sessions, lectures, presentations, and interactive seminars. While classes are normally on Thursday and Friday of each week, students may be required to attend courses and seminars that are only available outside these times.

Pastoral Practice

Students commit to a placement education experience in a 'Teaching Parish', or equivalent context, from September to April. The basic areas of ministerial practice within the placement site are typically primary-level catechesis, second-level chaplaincy and/or catechesis, and parish/community based ministry.

One Year, Full-Time students: Placement usually takes place between Sunday and Wednesday of each week, for an average of 10-12 hours of contact time per week, with classes in Maynooth on Thursday and Friday. Students will also be required to participate in a number of block placements in their placement sites, with an extended contact time of 16-18 hours per week.

Two Year, Part-Time students: Placement usually takes place between Sunday and Wednesday of each week in the two academic years, for an average of 5-6 hours of contact time per week, with classes in Maynooth on Thursday (in Year One) and on Friday (in Year Two). Students will also be required to participate in a number of block placements in their placement sites, with an extended contact time of 8-9 hours per week.

Placement education sites, or ‘Teaching Parishes’, are arranged in collaboration with the PT430 Pastoral Practice Module Coordinator. The Pastoral Practice module includes the following: mentoring support with an on-site Placement Contact Person, or his/her Designated Alternate; one-to-one consultation with an assigned staff mentor in the Pontifical University; two visits by an assigned Placement Supervisor; participation in weekly small-group, peer-support, theological reflection sessions; and, an end-of-year integration day. The placement education experience is a central context for learning and growth, and is fundamental for the overall pastoral formation of the students.

Clinical Pastoral Education

Students will undertake a second placement through one unit of Clinical Pastoral Education (CPE) or its equivalent (12 weeks). CPE is a professional education for ministry conducted in the hospital setting. The course includes development of self-understanding and the foundation for the practice of pastoral care. CPE is a supervised course, which students apply for independently and take after completion of the core modules and parish placement. CPE is a qualifying course for the completion of the Diploma programme, and the CPE placement site is arranged in collaboration with the Pastoral Theology Director.

Assessment

Each module will be assessed by class attendance, participation, presentations, and written assignments as outlined within the module descriptors. The two primary processes of assessment for the Pastoral Practice module will be as follows: placement supervised visits (two in total) and a pastoral practice portfolio. Students need to pass all components of assessments in order to pass the respective module.

Higher Diploma in Pastoral Theology (Healthcare Chaplaincy)

Director of Pastoral Theology: Dr Aoife McGrath

This level 8 programme forms part of a person's initial formation for chaplaincy leadership in a healthcare setting, preparing him/her to minister effectively in collaboration with multi-disciplinary healthcare colleagues in the provision of holistic healthcare in public, voluntary, and private healthcare facilities. It prepares students to use advanced skills in professional caring ministry, especially leadership in prayer, pastoral care, and accompaniment with persons who suffer because of illness, trauma, tragedy, grief, and bereavement.

This level allows students to develop a detailed knowledge of theological principles as these relate to ministry practice, and an understanding of concepts, methods, and models pertaining to ways of doing theology in practice. It enables students to develop the ability to act in variable contexts, to be flexible in response to the needs of persons who are unwell, terminally ill or actively dying, to their family members and loved ones, and to professional colleagues who are deeply impacted by health-related conditions and experiences. Students encounter a diversity of situations and people, go beyond their comfort zone, and learn to minister compassionately and sensitively, providing comforting outreach, sacramental care, facilitating the celebration of liturgy, public worship, and spiritual practices as appropriate within a challenging healthcare landscape.

- face the demands of making collaborative ministry work and actively participate in the creation and maintenance of a healthy work environment;
- exercise initiative and independent thought, to interact intelligently, empathically, ethically, and professionally within their ministerial context;
- differentiate appropriate ministerial approaches within complex institutional cultures and systems, in response to varying group dynamics and organisational behaviour.

This Higher Diploma follows the same academic and placement schedules as the Diploma and Higher Diploma in Pastoral Theology, and is awarded on the successful completion of one year's full-time or two year's part-time engagement.
