Saint Patrick's College, Maynooth

As we face into a new academic year at St Patrick's College, Maynooth, I extend a special and warm welcome back to all our students and staff after almost three semesters of remote online learning. We return to the College with a renewed sense of the value of in-person and on campus learning. The pedagogical landscape has been transformed by the pandemic. Students and staff now have a range of online learning and teaching resources and skills acquired during the pandemic and these will continue to be an important part of a blended learning approach.

On our beautiful campus, we are fortunate to have three different institutions of learning, each of which contributes to a very vibrant, dynamic and enriching place of higher learning, formation and research. Pontifical University staff and students share the campus with their colleagues in the National Seminary and National University of Ireland, Maynooth [*Maynooth University*].

The college is justly proud of its long-standing tradition of commitment to high quality education and student services, provided by a responsive faculty, staff, and administration. Many of our alumni and current students cite close interaction with faculty members as hallmarks of their educational experience at Maynooth.

One of the hallmarks of St Patrick's College is our commitment to each student, to deliver a high quality third and fourth level educational experience, one that is at once academically challenging and personally supportive. St Patrick's College will continue to provide students with a solid academic foundation, a strong spiritual base and a value-added research and recreational environment, capable of generating graduates who are equipped with the requisite knowledge and leadership skills to excel in their career fields or vocational callings. Your years at Maynooth are truly a time of rich opportunity for intellectual, personal, spiritual and human development.

As we embark on a new academic year together, faculty, staff and student body alike, are on a journey of faith, discovery, leadership and community. Our common goal is the education and formation of leaders: for service in our communities, the professions and a myriad of different walks of life. Let us make the most of this piece of the road that we will share together!

I am looking forward to meeting you and would like to thank you again for making Saint Patrick's College, Maynooth your university.

Reverend Professor Michael Mullaney
President

Coláiste Phádraig, Má Nuad

Fáiltím romhat agus tú ag cur tús le bliain acadúil nua ag Coláiste Phádraig, Má Nuad. Tá fáilte romhat go háirithe más í seo an chéad bhliain agat linn.

Tá an t-ádh orainn go bhfuil trí institiúid éagsúla foghlama ar an gcampas den scoth atá againn, agus cuidíonn gach aon cheann acu chun áit bhríomhar, dinimiciúil agus saibhrithe a chruthú don ardfhoghlaim, don mhúnlú agus don taighde. Roinneann foireann agus mic léinn na hOllscoile Pontaifiúil an campas lenár gcomhghleacaithe sa Chliarscoil Náisiúnta

agus in Ollscoil na hÉireann, Má Nuad [*Ollscoil Má Nuad*].

Tá an coláiste fíor-bhródúil as an traidisiún fada tiomantais a sholáthraíonn na dámha, an fhoireann agus an lucht riaracháin ó thaobh cúrsaí oideachais agus seirbhísí do mhic léinn ar ardchaighdeán. Deir go leor dár n-alumni agus na mic léinn atá againn faoi láthair go mbíonn an idirghníomhú dlúth a bhíonn acu le comhaltaí dáimhe mar shaintréith dá dtairbhí oideachais ag Má Nuad.

Ar cheann de na sainmharcanna de Choláiste Naomh Pádraig is é sin ár dtiomantas go bhfaighidh gach mac léinn, tairbhí oideachais ar an tríú nó ar an ceathrú leibhéal a bheidh ar ardchaighdeán, tairbhí a mbeidh dúshlán acadúil ann dóibh agus a thabharfaidh tacaíocht phearsanta don duine. Leanfaidh Coláiste Phádraig ag tabhairt bunchloch acadúil dlúth agus bunús spioradálta láidir i dtimpeallacht ardluach taighde agus áineasa do mhic léinn agus cruthófar céimithe a mbeidh an t-eolas riachtanach agus na scileanna ceannaireachta acu a bheidh uathu chun déanamh chomh maith agus is féidir leo ina ngairmeacha beatha nó ina nglaoch gairme. Is tréimhse ina mbeidh deiseanna iontacha ann duit na blianta ag Má Nuad ó thaobh forbairt intleachtúil, phearsanta, spioradálta agus forbartha daonna.

Agus sinn ag tabhairt faoi bhliain acadúil nua le chéile, beidh an dámh, an fhoireann agus na mic léinn araon ag tabhairt faoi thuras creidimh, fionnachtana, ceannaireachta agus pobail. Is é an sprioc atá againn go léir oideachas agus foirmlíú ceannairí: don eaglais, dár dtír, dár bpobail, do na gairmithe agus d'iliomad roghanna eile sa saol. Tá súil agam go mbainfidh an méid tairbhe agus is féidir as an bpíosa bóthair seo a mbeimid i dteannta a chéile!

Táimid ag súil go mór freastal ort agus gabhaimid buíochas leat arís as Coláiste Phádraig, Má Nuad a roghnú.

An tAthair Ollamh Mícheal O'Maolanaigh
Uachtarán

Non Grant Holders, who are entitled to free fees, must pay the student contribution of €3,000 plus the student levy of €150. All students are liable for the student levy.

New & Existing Undergraduate Students:

The Course Fee includes tuition and examination fees, but does not include repeat examination fees, late payment fees or late registration fees.

Tuition fees may be paid by the Exchequer in respect of EU nationals who have been ordinarily resident in an EU/UK/EEA/Swiss State for at least three of the five years preceding their entry to their third-level course and who meet the criteria of the scheme. Eligibility under the scheme is determined at date of entry to the course.

The scheme is subject to the the following conditions:

1. Tuition fees will be paid in respect only of students attending full-time undergraduate courses.
2. The courses must, other than exceptionally, be of a minimum of two years duration.
3. Tuition fees will not be paid in respect of:
 - students pursuing a second undergraduate course.
 - students who already hold a postgraduate qualification

Notwithstanding this condition and subject to compliance with the other conditions of the Free Fees initiative, students who already hold a Level 6 qualification (Higher Certificate or National Certificate) or a Level 7 qualification (Ordinary Bachelor Degree or National Diploma) and are progressing to a Level 8 (Honours Bachelor Degree) course without necessarily having received an exemption from the normal duration of the course may be deemed eligible for free fees.

4. Tuition fees will also not be paid in respect of students undertaking a repeat year of study at the same year level. In this regard, this condition may be waived where evidence of exceptional circumstances, such as cases of certified serious illness, is provided.
5. Subject to compliance with the other conditions of the Free Fees initiative, students who have previously pursued but have not completed a course of third level study and subsequently resume third level studies:
 - a) may be deemed eligible for free fees where the third level course concerned did not attract any exchequer funding (e.g. fees, maintenance, tax relief, subsidy towards course cost)
 - b) are not eligible for free fees for the equivalent period of time spent on the first course of study where the third level course concerned did attract exchequer funding (as above). Part-time and evening students are included in this category.
6. Tuition fees will be paid in respect of eligible students who, having attended but not completed approved courses, are returning following a break of at least five years in order to pursue approved courses at the same level in the 2021/2022 academic year.
7. The tuition fees payable do not include the payment to be made by students towards the cost of registration, examination and student services.

Further details of the scheme including nationality criteria to be applied are available at <http://www.studentfinance.ie/mp9377/course-fees/index.html>

Funding - Student Assistance Fund

The Student Assistance Fund is managed by the Higher Education Authority on behalf of the Department of Further and Higher Education, Research, Innovation and Science. It provides financial support to students who are in financial difficulty and whose participation at university would be at risk without support.

The Fund is best described as a contributory payment which helps students meet some of the **extra** costs associated with being at university. Registered students do not necessarily need to be grant holders to apply for funding.

Applications are **means tested** and funding is **targeted** at those students who are in most financial need.

Funding is available to **all full-time & some part-time registered students** of the Pontifical University attending an approved course. Full details of the Fund are available at <https://www.maynoothuniversity.ie/access-office/student-assistance-fund>. Details of approved courses are available at

Disciplinary Code for Students

Introduction

The purpose of a code of discipline within Saint Patrick's College is to ensure that the pursuit of the objectives of the College shall not be disrupted. These are primarily the advancement, promotion, gathering and dissemination of knowledge and understanding through research, teaching, learning and rational discussion. To enable these aims to be fulfilled in a satisfactory manner it is necessary that a suitable academic environment be maintained. A code of discipline is a positive thing, which promotes concern and respect for people's rights and property. This helps to enhance the quality of life for all members of the College community - staff and students. A student who registers for any course in the College shall be expected to accept these objectives and to observe the rules and regulations of the College.

A Committee of Discipline exists to help maintain good discipline within the College and its general environs.

The Code of discipline and its implementation are subject to the present Statutes of the College and to amendment by the College authorities. The Code of Discipline is subject to review at such intervals and in such manner as the College authorities consider appropriate.

Rules and Breaches

The two basic rules of the Code of Discipline are:

1. Every student is expected and required to respect the rights of fellow students and the authority of the College academic and other staff in the performance of their duties. At all times every student is expected to observe the rules and regulations of the College and conduct themselves in a manner conducive to the academic environment of the College and the promotion of its objectives.
2. Every student is expected and required to respect the rights of fellow students in the enjoyment of the facilities of the College, including its clubs and societies,

and all privileges in relation to those facilities, and to observe applicable rules or regulations and at all times to respect the property of the College or of other students, members of the College staff or other persons working in or visiting the College.

In interpreting the two basic rules the Committee of Discipline would normally regard as serious offences against the code such examples as:

- Plagiarism, cheating or the use of unauthorised material during an examination or other breaches of examination Regulations. Breaches of the Examination Regulations shall be dealt with directly by Officers of the College. (See section on Plagiarism following).
- Disruption of teaching, study, research or administration of the College.
- Obstruction of members of the College administrative staff, academic staff, officers, students or servants of the College in the performance of their duties.
- Furnishing false information to the College with intent to deceive or in circumstances calculated to deceive.
- Forging, alteration, or misuse of College documents, records or identity cards.
- Intimidation or harassment of any kind, physical abuse or verbal abuse of a defamatory character of another person.
- Malicious or reckless damage or theft of College property or any other property on the College grounds. Misuse of College property including library materials or private property on the campus.
- Forcible occupation of College buildings or grounds.
- Unwarranted interference with the College's safety equipment, fire fighting equipment, security systems and alarm systems.
- On or off-campus conduct likely to bring the College into disrepute.
- Engaging in activities that contravene the laws of the State, and infringe either of the College's two basic rules of discipline.
- Refusal to produce a Student Identity Card when requested to do so by a College Staff member who shall identify himself / herself.
- Failure to pay a fine or comply with a disciplinary sanction imposed for a breach of discipline (subject to any right of appeal applicable).
- A serious failure to comply with the regulations governing the use of College Computer services (Code of Conduct for users of Computing Facilities listed below) and Library services which, in the case of a breach of Library Regulations, has not been dealt with by the librarian in accordance with the terms of those regulations.

Membership of the Committee of Discipline

The Committee of Discipline shall comprise:

- Dean of the Faculty of Theology (or his or her delegate)

- Two members of the Faculty elected by the Council of the Faculty
- One of the student representatives on the Council of the Faculty

Academic members are elected for a period of three years, student representatives for a period of one year.

The Dean or her delegate shall be the Chairman of the Committee and one member of the Faculty shall be the Secretary. Three members, one at least of whom must be a student representative, shall constitute a quorum. Should a meeting duly called fail to have a quorum because no student representative is in attendance, then the proposed meeting may proceed within a reasonable time, provided that three committee members are in attendance. An agenda will be circulated in advance of Committee meetings and its deliberations will be kept in confidence. In the event of a tie, the Chairman shall have a casting vote.

Procedure

It is open to any staff or student member of the College community to report in writing any alleged breach of discipline to the Chairman of the Committee of Discipline. If an allegation of a serious breach of the Code has been made against a student, the President of the College or his nominee shall have the power to exclude that student from College premises, if he deems fit, while the alleged breach of discipline is being investigated.

The Chairman of the Committee of Discipline is empowered to handle summarily what he regards as minor breaches of the Code of Discipline. In cases where he adjudges the alleged breach to be of a serious character he shall refer the issue in writing to the Committee of Discipline at the earliest convenient opportunity.

An appeal from a decision by the Chairman of the committee of Discipline shall be to the Committee of Discipline (excluding the Chairman). The appeal procedure shall apply to such an appeal only to the extent relevant. A reasonable effort must be made to inform the student in writing of the alleged breach:

- Detailing the nature of the allegation, and any grounds on which it has been made
- Informing the student of his / her rights and
- Inviting him / her to attend a meeting of the Committee of Discipline convened to deal with the allegation, and to make such representations in relation to the allegation as he or she sees fit.

The student is entitled to have present to assist him / her at the meeting a representative who is a registered student or a member of the academic or administrative staff of the College.

The College or the student in question may have a legal adviser present at the meeting, subject to prior notice having been given to the student or the Committee as the case may be. If a student fails to respond to such an invitation, and / or to present himself or herself at the meeting, the matter may be dealt with in his / her absence.

If a member of the Committee of Discipline is a complainant or is otherwise involved in the alleged breach of conduct, he / she shall be replaced at the meeting by a nominee of the President of the College. The Committee, having considered the allegation, the evidence received in relation to it, and any representations made by or on behalf of the student, and made such enquiries as it sees fit, shall deliberate in private and shall notify the student of the outcome within three days, where practicable. The Committee shall forward a written report of its handling of any serious breach of conduct to the President and, in the event of an appeal, following the expiry of that appeal, to the Dean of the appropriate Faculty.

Where a Head of Department or the Head of Security (hereinafter referred to as “the Relevant Head”) becomes aware of a breach of the Code of Discipline of the type described below, he or she may elect not to refer the breach to the Committee of Discipline where: in his / her opinion,

- the breach is such that it could appropriately be dealt with by the Relevant Head
- the student has admitted the breach of the Code, and confirmed in writing that he or she wishes to have the matter dealt with by the Relevant Head.

The Relevant Head shall promptly inform the Chairman of the committee of Discipline that he or she is dealing with such a breach. The disciplinary sanctions which may be imposed by a relevant head are confined to a fine not exceeding €64, campus service up to 5 hours, a reprimand, warning or advice, and repay compensation for loss or damage caused.

In deciding what disciplinary sanction will apply, the Relevant Head will ensure that the student is informed of the full case against him / her, and offer the student an opportunity to explain any mitigating circumstances to the Relevant Head. A written summary of the facts of, and the decision taken, in any such case will be supplied to the Chairman of the Committee of Discipline. An appeal from a decision by the Relevant head shall be to the Chairman of the Committee of Discipline, and the appeal procedures shall apply to such an appeal only to the extent relevant.

Disciplinary Sanctions

The Committee of Discipline may recommend to the President that the following sanctions be imposed upon a student who has been found in breach of discipline.

- *Expulsion* - that the student ceases to be a member of the College and that he / she be barred from any property occupied by the College. This penalty shall appear on the student's record permanently.
- *Withdrawal* - that the student be requested to withdraw from the College permanently or for a stated period, or until he / she has complied with the requirements laid down by the Committee.
- *Suspension* - that the student be suspended from the College, or be barred from certain activities for a stated period, or until he / she has complied with the requirements laid down by the Committee, or the Relevant Head.
- *Fine* - that the student be fined a sum determined by the Committee or the Relevant Head.
- *Campus Service* - that the student be required to carry out a period of service on the College Campus of a nature and on such terms as are determined by the Committee or the Relevant Head
- *Reprimand* - that the student be reprimanded and warned that if further breaches of discipline occur in future his / her present breach would be taken into consideration by the Committee or the Relevant Head in making a decision.
- *Conditional Discharge* - that no further action be taken against the student, provided he / she fulfils the conditions laid down by the Committee. The Committee reserves the right to impose conditions involving compensation in the case of damage to property or persons. The Committee may also give an absolute discharge. Save as provided above, any sanction imposed shall appear on the student's record for such period of time as the Committee may decide.

Appeal Procedure

A student who is aggrieved by a decision of the Committee of Discipline shall have the right of appeal to the President of the College. The President may, at his discretion, nominate an Appeal Committee of three people to conduct an inquiry into the appeal. An Appeal Committee shall consist of two nominees of the President, one of whom must be a member of the academic staff. A third member shall be a student, nominated by the President of the Student's Union. The appointment of an appeal Committee shall be notified to the student in question. No member of the Committee of Discipline which made the appealed decision shall be a member of an Appeal Committee.

Appeals must be brought within twenty eight days of the date of service of the original decision. References below to the appellate authority are to the President, or where he decides that an appeal will be dealt with by an Appeal Committee, the Appeal Committee. Appeals will not normally involve a

rehearing of the evidence but arrangements must be made for written submissions, appearing in person and / or producing fresh evidence.

The student shall convey in writing to the appellate authority the grounds of the appeal and any relevant evidence supportive of the case for appeal. The aggrieved student may also represent his / her case in person to the appellate authority, and may be accompanied by a registered student or by a member of the academic or administrative staff of the College. The College or student may have a legal adviser present subject to prior notice having been given to the student or the appellate authority.

The appellate authority may affirm, reverse or vary any decision of the Committee of Discipline, or remit the case to the Committee of Discipline for reconsideration. The decision arrived at through the appeals procedure shall be final.

Attendance Monitoring Policy

Introduction

The purpose of this *Student Attendance Policy* is to enhance a supportive learning environment for students to achieve their full potential. (See Strategic Plan, *Enhance Student Experience / Value highest standards in teaching and learning*, Goal 2.4.10) The Pontifical University remains mindful of its obligations to a duty of care and protection of privacy.

Rationale

Class attendance and academic achievement are closely linked. Attendance is a vital element in maintaining student retention, progression, achievement and employability. Students who actively participate by attending classes are more likely to

- a. have a rewarding experience,
- b. successfully complete their course and
- c. achieve better results.

This policy therefore complements the Policies and Initiatives on *Student Success and Retention* (2017).

The following policy proposes establishing consistent monitoring practices for attendance. Keeping an overview of attendance helps to

- increase individual focus and engagement, and enhance and facilitate group dynamics

- encourage a better student experience by identifying students with issues (academic or personal) and facilitating a proactive response. This has been demonstrated to support retention and student wellbeing.
- mitigate against first year students leaving university prematurely. A systematic approach to monitoring attendance from the start of a programme fosters a culture of attendance in subsequent years
- It helps students to build work patterns appropriate for their time after university.

Having an established Attendance Policy therefore enables programmes to facilitate the Graduate Attributes of the Pontifical University. (See <http://maynoothcollege.ie/files/images/Graduates-of-the-Pontifical-University-PDF.pdf>)

Consistent monitoring allows for early intervention. Students who are identified as regularly absent from class may be contacted in order to offer supports or to have the consequences of absenteeism outlined.

Academic Staff are encouraged to incorporate formative assessment within the modules to encourage student engagement and learning.

Policy

Attendance will be taken at all lectures, by way of a student register (or similar means) which will be recorded on the Moodle page of the relevant module. Anyone not attending will be checked absent, no matter what the reason. Non-attendance for medical reasons requires a medical certificate to be provided to the Pontifical University Office. Absences for medical reasons will be noted on the record when the medical certificate has been provided.

Paid employment is not an acceptable reason for non-attendance.

Responsibilities

Students are responsible for:

1. Attending all learning and teaching sessions associated with their programme
2. Knowing if there are specific attendance requirements for individual modules
3. Ensuring that they have been signed into the attendance register. Late arrival may lead to students being marked absent
4. Maintaining a record of their own attendance
5. Notifying lecturers or tutors in advance if they expect to be absent from timetabled classes
6. Providing a medical certificate to the Pontifical University Office, where required

7. Informing the tutor or lecturer in advance if, due to exceptional circumstances, a student is obliged to leave a session before it concludes
8. Obtaining all the information presented by the lecturer or tutor during the missed class.

Academic staff are responsible for:

1. Reminding students of the importance of regular attendance
2. Recording student attendance
3. Writing to students who are exhibiting patterns of absenteeism. (See table below)
4. Alerting Academic and Pastoral Support Co-ordinator to 'at risk' students. (See table below)
5. Enrolling the Academic and Pastoral Support Co-ordinator as a “non-editing lecturer” to the module Moodle page.

The Academic and Pastoral Support Co-ordinator is responsible for:

1. Contacting ‘at risk’ students
2. Facilitating students' access to student support services

The Registrar is responsible for ensuring that:

1. teaching staff maintain a record of student attendance
2. appropriate systems are in place to maintain a student attendance record
3. appropriate systems are in place to facilitate notification by students of absence
4. Students are informed of the Attendance Policy
5. Students are advised of available supports
6. Students are warned of the consequences of persistent non-attendance.

Contacting Students

By and large, non-attendance occurs early in a module. As a principle, students need to be contacted as soon as the pattern becomes discernible, and followed up as appropriate, if it persists.

The following tables are *indicative*.

For a five credit module.

Week	Absent	Action
1-3	3 sessions	Email from the lecturer, cc to the APS Coordinator
1-4	4 sessions	Email from and meeting with the APS Coordinator

1-6	6 sessions	Email from and meeting with The Registrar
-----	------------	---

For a 2.5 credit module

Week	Absent	Action
1-3	2 sessions	Email from the lecturer, cc to the APS Coordinator
1-6	3 sessions	Email from and meeting with APS Coordinator / The Registrar

Please note: If a student shows patterns of non-attendance later in the module they should also be identified and contacted.

Where a student's attendance is identified as a cause of concern, one or more of the following actions may be taken:

1. The student will be asked for an explanation
2. Students will be invited to discuss with the Registrar / Academic and Pastoral Support Coordinator how their attendance will be improved and whether further support is appropriate
3. Students will be issued with a formal written warning about their attendance
4. Staff writing references for students may refer to students' record of attendance
5. Exam boards may take into account students' attendance in exercising discretion in matters of progression and grading.

Misogyny/Hate Speech/Discriminatory Language

The Pontifical University requires all students and staff to use respectful language when expressing their opinions whether verbally or in writing. Every person has a right to be treated with respect without discrimination because of race, colour, ethnic origin, citizenship, creed, sex, sexual orientation, age, marital status, family status or disability.

The University does not tolerate any forms of misogyny, hate speech or discriminatory language. Students should be aware of this requirement in their written work (e.g. essays, examinations, dissertations, and other course work) and in their verbal interactions in class, seminars and throughout the campus.

If a member of the University staff considers that a student has violated the above policy, he or she will alert the student (and the Dean of the relevant Faculty) to highlight the issue. If possible, the issue should be rectified at this stage. Where the

violation relates to academic work marks (up to 10%) may be deducted at the discretion of the lecturer. Staff are also free to bring the matter to the attention of the Committee of Discipline and the Disciplinary Sanctions available to the Committee will apply to egregious violations of the policy.

Plagiarism

It is recognized that nearly all assignments and essays draw on the work of others: published research and critical commentary, lecturers' notes and handouts, etc. The effective use and evaluation of existing material are among the skills that students are expected to develop.

Material is cited in order to contribute to a larger line of argument, or to be subjected to scrutiny, or to be combined with other material in order to arrive at new perspectives; value should be added by some original thinking in the way in which it is used. In all cases, the source of the material (an idea or opinion, a quote, data, etc) must be acknowledged in a standard form of referencing.

Plagiarism is the passing off of another person's work as your own. It includes copying without acknowledgement from a published source (print or electronic), or from unpublished sources (eg another student's essay or notes). Plagiarism occurs when material is copied word for word, but not only in that circumstance. Plagiarism also occurs when the substance or argument of a text is copied even with some verbal alterations, such as in paraphrase or translation, without acknowledgement.

Plagiarism includes using material from books or periodicals, from the internet, from grind tutors, or from other students, without full acknowledgement of the sources. Copying and collusion are related to plagiarism. Copying occurs when a student copies work from a peer, with or without the consent of the original author. Collusion is when students collaborate to present work as if it were individual and original. Both copying and collusion are forms of plagiarism.

In instances where two or more purportedly original assignments show clearly derivative similarities that are unacknowledged, they shall both or all be treated as plagiarism unless the contrary can be demonstrated.

Plagiarism in any form of assignment contributing to marks or a grade for a course is a serious offence. It is a form of cheating on several counts: the perpetrator is attempting to obtain credit for work not done, and is also attempting to benefit from work done by somebody else. Plagiarism undercuts the whole thrust of scholarly enquiry that is the essence of education.

Plagiarism will be severely penalised wherever it is detected. Students submitting assignments, essays, dissertations or any form of work for assessment may be required to sign a declaration that the material in question is wholly their own work except where indicated by referencing or acknowledgement.

Students should provide adequate and accurate referencing for their assignments. Gordon Harvey, *Writing with Sources: A Guide for Students*, (Hackett Publishing Company, 1998) is one of a number of booklets outlining good practice in reference and citation.

Disciplinary Consequences

Plagiarism is a form of academic dishonesty and will be treated with the utmost seriousness wherever discovered. Examiners, tutors and markers are required to report instances of suspected plagiarism to the relevant Head of Department concerned.

Undergraduate Students undertaking modules assessed by exam and continuous assessment who are caught infringing academic integrity through plagiarism must undertake the following process.

- Students must make themselves available for one-to-one feedback with the relevant lecturer. The lecturer will send an email to the student confirming the infraction, outlining the next steps, and explaining that a second offense will result in university action. The email is cc'ed to the relevant Dean, Student Mentor and the Pontifical University Office for the purposes of education.
- Afterwards, students must undertake an “Academic Integrity Tutorial” on sourcing, footnoting, bibliographies etc. This may be delivered through the Library, Centre for Writing, or the PU. An email is sent by the Deliverer of the Tutorial to the relevant Dean, Student Mentor and the Pontifical University Office recording that the student attended.
- The assignment must be resubmitted.
- When the assignment is resubmitted, it is marked normally.
- If the assignment is not resubmitted nor the Academic Integrity Tutorial undertaken, the module will be marked “incomplete”.
- If a second offense occurs for the same assignment, marks will be deducted proportionate to the extent of the plagiarised material, and the severity of the offence. This may lead to the failure of the module. As a result, the student must take the repeat exams during the Autumn of that academic year, and incur the repeat fee. In modules without an exam component, another continuous assessment must be undertaken, and incur the repeat fee.
- A repeat offender will be asked to attend the Academic Review Board.

- The student is entitled to appeal to the Academic Review Board.

Note: The above process does not apply to Erasmus Students.

The above procedure does not preclude a student being asked by the marker or the department to take a further test. This may take the form of an oral examination on the assignment in question and related issues, other writing of a test paper in controlled conditions. Requiring a student to take such a test does not necessarily imply that plagiarism is suspected.

Plagiarism in postgraduate or research material is a particularly serious offence. Penalties imposed may involve suspension or expulsion from the programme and from the University, in addition to deduction of marks.

Cheating during Examinations

The practice of cheating involves the actual, intended, or attempted deception and/or dishonest action with regard to any academic work.

The Pontifical University operates a zero-tolerance policy to cheating during examinations.

The following are examples of unacceptable behaviour and will be regarded as attempted deception:

1. Taking unauthorised material into an exam, including any notes/documents on your person
2. Having non-permitted equipment/devices on your person (e.g. a prohibited model of calculator, ipod or smart watch). All such devices must be placed under the students' chair.
3. Having information written information on a part of your body or clothing. If after the examination has started, unauthorised material is discovered in your possession, it will be assumed that cheating has taken place.
4. Talking or communicating with another student during an exam.

The policy and procedures of disciplinary consequences are available on the Maynooth College website.

The data owner must also take account of the need to know on

the part of the applicant for access, the sensitivity of the information and the risk of damage to, or loss by the College, should the information be misused. Policy on Dignity at Work / Studies

Policy

Saint Patrick's College Maynooth, including the National Seminary and the Pontifical University (hereafter "the College") recognises the entitlement of all the members of the College community to work and study in an environment free from inappropriate behaviour. Any member of the College community is prohibited from behaving in a manner that is inappropriate to any other member of the College community.

Scope

The Policy extends to the entire staff, students, visitors, contractors, sub-contractors and others associated with the College (referred to in this Policy as "members of the College community").

Nothing herein shall constitute as "inappropriate behaviour" the legitimate exercise of responsibility by the President and / or the Seminary Council and / or the Trustees of the College in the upholding of the Seminary Rule, this Policy and adherence to the College Statutes.

Additional Requirements of the National Seminary

All members of the community must comply with those requirements set out in the Policy. The conduct and behaviour required of seminarians in addition to this Policy is set out in the Seminary Rule.

Principles

The objectives of this Policy are to:

1. Define "inappropriate behaviour";
2. Promote awareness of the issue amongst members of the College community;
3. Provide an effective procedure for dealing with allegations of inappropriate behaviour;
4. Explain the possible outcomes if inappropriate behaviour is established.

Definitions

“Inappropriate behaviour” may be intentional or unintentional. However, it must be noted that where an allegation of inappropriate behaviour is made, the intention of the alleged bullying or harassment is irrelevant. It is the effect of the behaviour upon the individual which is important. “Inappropriate behaviour” includes but is not limited to, Sexual Harassment, Harassment and Bullying which are defined as follows:-

A. Sexual Harassment

The definition of sexual harassment includes any:-

“any form of unwanted verbal, non-verbal or physical conduct of a sexual nature which has the purpose or effect of violating a person’s dignity and creating an intimidating, hostile, degrading, humiliating or offensive environment for the person”.

B. Harassment

The definition of harassment is similar to that of sexual harassment but without the sexual element.

Harassment is any act or conduct (including spoken words, gestures, or the production, display or circulation of written words, pictures or other material), if the action or conduct is any form of unwanted conduct related to any of the discriminatory grounds* which has the purpose or effect of violating a person’s dignity and creating an intimidating, hostile, degrading, humiliating or offensive environment for the person.

“Relevant characteristics” (as defined by the Employment Equality Acts, 1998 - 2015 and the Equal Status Acts 2000 and 2004) are:

gender; civil status; family status; sexual orientation; religion; age; disability; race, or membership of the Traveller community.

C. Bullying

Repeated inappropriate behaviour, direct and indirect, whether verbal, physical or otherwise, conducted by one or more persons against another or others which could reasonably be regarded as undermining the individual’s right to dignity in their place of work or study.

An isolated incident of the behaviour described in this definition may be an affront to dignity in their place of work or study, of itself is grounds for disciplinary action but, as a once off incident, it is not considered to be bullying.

Effects of Harassment / Bullying

Harassment and bullying have serious ramifications for both the victim and the College. They can seriously affect the health and well-being of the individual. They can undermine the self-confidence of students or staff by communicated to them that they are not taken seriously or accorded the personal respect to which they are entitled. They also impact on the broader College community and may have serious negative implications.

Protection against victimisation

Where in good faith a member of the College Community reports an incident of alleged inappropriate behaviour or assists in any way in an investigation into same, the College will provide such member with all reasonable protection against victimisation.

Any member of the College community, who victimises another member who has reported an incident of alleged inappropriate behaviour or assisted in any way in an investigation into same, may be subject to disciplinary action by the College.

Malicious complaints

Any member of the College community, who maliciously makes a false complaint of inappropriate behaviour, may be subject to disciplinary action by the College.

Complaints Procedure

1. Persons who make complaints regarding inappropriate behaviour are encouraged to raise their concerns at the earliest opportunity.
2. A Designated Person is to be appointed by the Trustees to hear concerns of students in relation to the inappropriate behaviour of any member of the College community towards another member of the College Community. It is often preferable for all concerned that complaints under this policy are dealt with and resolved informally between the parties whenever possible. This is likely to produce solutions which are speedy, effective and minimise embarrassment and the risk of breaching confidentiality, while also protecting the working relationship. The objective of the informal approach is to stop the bullying, harassment or sexual harassment with the minimum conflict and stress for the individuals concerned. In many cases, the Employee whose behaviour is causing offence may be unaware that his or her actions are inappropriate, or it may be that his or her words or actions have been misinterpreted. In such cases, every attempt should be made to clear up any misunderstanding quickly, on an informal basis.
3. The name, address and telephone number of the Designated Person shall be given to all students who are to be informed of the role of this person. A copy of the policy and procedure should be provided to the complainant.

4. Where the conduct complained of is violent or criminal in nature, the Gardai should be contacted without delay by the designated person. The complainant should be encouraged and supported to make a complaint to the Gardai.

5. The informal process provides options for resolving disputes including mediation, where appropriate.

6. Confidentiality will be maintained throughout any investigation to the extent that it is consistent with the requirements of a fair investigation. All individuals involved in the procedure referred to are expected to maintain the utmost confidentiality on the subject. However, appropriate persons will be obliged to disclose the details of any complaint to such persons and to such extent as is necessary to investigate the complaint.

7. Care shall be taken at all times to follow fair procedures and not to impugn unjustly the good name of any person.

Informal Procedure

In many cases, the Employee/ student whose behaviour is causing offence may be unaware that his or her actions are inappropriate, or it may be that his or her words or actions have been misinterpreted. In such cases, every attempt should be made to clear up any misunderstanding quickly, on an informal basis.

The informal process provides options for resolving disputes including mediation, where appropriate.

The informal procedure consists of a low key and non-confrontational approach by the recipient of the behaviour to the party causing offence to advise him/her of the impact of their behaviour and to ask them to cease behaving in this manner.

The approach should be made in private, and should be non-confrontational. Advice in relation to this procedure should be sought from the nominated contact person and the Designated Person shall seek to support the resolution of the complaint at the informal stage.

Formal Procedure

It is acknowledged that it may not always be practical to use the informal procedure to resolve an issue. A member of the College Community may not feel comfortable to approach the other party, or may feel that the issue is too serious to be addressed through the informal procedure. In such circumstances, or where the informal process has failed to resolve an issue, the formal procedure set out in this policy should be followed.

In order to make a formal complaint an initial approach may be made to a nominated contact person regarding the issue. Although the initial complaint may be provided verbally, it is a requirement that the complaint is lodged in writing to ensure that a fair process may be followed. Where assistance is required to put the complaint in writing, the member of the College Community should consult the nominated contact person to arrange this.

The complaint should state:

- The name of the alleged perpetrator;
- The nature of alleged bullying, harassment or sexual harassment
- Dates/times and locations of where and when the alleged bullying/harassment / sexual harassment occurred;
- Names of witnesses to any alleged incidents;
- Details of any action already taken to stop the bullying/harassment / sexual harassment.
- Consent to your identity and the facts of the allegation being disclosed to the alleged perpetrator. This is required in order to allow the Organisation to investigate and to take action in appropriate circumstances.

If the behaviour complained of does not concern bullying, harassment or sexual harassment as defined, an alternative approach may be put in place and a rationale recorded. If there are no concrete examples given, it will be deemed that there is no complaint to be answered by the alleged perpetrator as they have no recourse to repudiating an accusation that doesn't give any specifics.

Where an alternative approach is not deemed appropriate, the alleged perpetrator(s) will be notified in writing that a complaint has been made against him/her, and provided with a copy of this complaint. The person investigating the complaint will indicate a timeframe for the resolution of the complaint, however such timeframes may be extended where necessary. He/she shall be afforded a fair opportunity to respond to the allegation(s), normally five working days.

All members of the College Community involved in an investigation must respect the need for confidentiality; a failure to do so may represent a serious disciplinary offence. Confidentiality is assured in so far as it is reasonably practicable. If one party to the complaint is an Employee he/she may be suspended with pay, without any negative inference, pending the outcome of an investigation, where deemed appropriate by Management. However, where this is not possible, the parties to the complaint will be expected to maintain a positive relationship.

The investigation will be conducted in accordance with the Organisation's Anti-Bullying, Anti-Harassment & Sexual Harassment Policy and will be governed by

terms of reference which will detail the likely time scale for its completion (an indicative timeframe will be outlined) and the scope of the investigation, indicating that the investigator(s) will consider whether the complaint falls within the definition of harassment or sexual harassment and whether the complaint has been upheld.

The investigation will be conducted by a Panel of members consisting of an external consultant, [insert roles of other members of Panel] or external assistance may be necessary to deal with complaints in some circumstances so as to ensure impartiality, objectivity and fairness. The investigation will be conducted thoroughly, objectively and with sensitivity. Utmost confidentiality will be protected in so far as it is reasonably practicable. Due respect will be had for the rights of the complainant, the alleged perpetrator(s) and any witnesses involved in the process.

The investigator(s) will meet with the complainant in the first instance to learn more regarding the complaint and to put the alleged perpetrator's responses to the complainant. Next, the alleged perpetrator will be invited to a meeting to explore their responses to the complaint and to put any relevant evidence to them. Evidence will be provided in advance of the meetings in order to allow the Employee to prepare their response to that evidence.

As many interviews as are necessary will be conducted until the investigator(s) is/are satisfied that all evidence has been collected and all parties have had a fair opportunity to state their case. Witnesses may also be interviewed with a view to establishing the facts surrounding the allegation(s).

Statements from the complainant, the alleged perpetrator and any witnesses will be recorded in writing.

All parties required to attend investigation meetings are entitled to be accompanied by a representative, whose role is to provide moral support, oversee the process and ensure that the parties are afforded a fair opportunity to respond and provide evidence at any investigation meetings.

Every effort will be made to carry out and complete the investigation as quickly as possible and preferably within an agreed timeframe. On completion of the investigation, the investigator(s) will submit a written report to a member of Management, containing the findings of the investigation. Both parties will be given the opportunity to comment on the findings before any action is decided upon by Management.

The complainant and the alleged perpetrator(s) will be informed in writing of the findings of the investigation, i.e. whether the complaint is upheld, not upheld, or whether the complaint is deemed to be malicious or vexatious.

Investigation Outcomes

Where a complaint is upheld, both parties will be informed of this outcome, and the relevant level of Management will also be advised. Management will take appropriate action based on the outcome of the investigation. This may include formal disciplinary action in line with the Organisation's disciplinary procedure, or training, or another appropriate intervention deemed necessary to prevent a recurrence of the behaviour.

The Organisation will also consider providing further supervision, reassignment or re-organisation of work. Prior to any disciplinary action being taken, a fair disciplinary hearing will be held in line with the Organisation's disciplinary procedure. It is important that members of the College Community are aware that certain acts of bullying, harassment or sexual harassment may be deemed as gross misconduct in the case of Employees or serious infringements in the case of students by the Organisation and may result in summary dismissal or [insert most serious infringement pertaining to students].

Where an investigation is inconclusive and the complaint is not upheld, there will be no negative inference against any party to the complaint. All parties to the complaint will be expected to continue studying/ working as normal, and to conduct themselves in an appropriate manner at work.

Where it is found that the complaint was malicious or vexatious, then a disciplinary hearing will be held with the complainant to explore this further. In this situation only may a disciplinary sanction be imposed on the complainant. Lodging a malicious or vexatious complaint is a serious disciplinary offence, and, depending on the seriousness of the issue, may be deemed gross misconduct by the Organisation and may result in summary dismissal.

In all cases, whether the complaint is upheld or otherwise, the place of study and/or work will be monitored to ensure that the parties to the complaint conduct themselves in an appropriate manner and do not engage in any improper conduct. Appropriate support will be made available to both parties. The Organisation will take such action as is required to eliminate the risk of that behaviour recurring or continuing and will keep records of interventions used for this purpose.

Appeal

Either party may appeal the decision, outlining in writing to the President the reason for the appeal. Such appeals will be heard by the President/ Chair of the Trustees and independent advice and support will be sought if required.

Victimisation

No person engaging in the procedures outlined here will be subject to unfavourable treatment for their role in the process, whether they are making a complaint in good faith, supporting a complainant, giving evidence in the proceedings or giving notice of intention to do any of the foregoing, except where they are found guilty of an offence under the policy.

Third Party Harassment/Sexual Harassment

The procedures outlined in this policy should be employed to deal with harassment or sexual harassment by a third party. Sanctions which may be imposed on a third party may include exclusion from the premises, termination of a contract, or other measures to prevent the recurrence of the inappropriate behaviour.

Third Party Bullying

The procedures outlined in this policy should be employed to deal with bullying by a third party. Sanctions which may be imposed on a third party may include exclusion from the premises, termination of a contract, or other measures to prevent the recurrence of the inappropriate behaviour.

Responsibilities

Management will endeavour to ensure that this policy is communicated to all members of the College Community and will ensure that the policy is maintained and updated in line with legislative changes and any amendments to the relevant Code of Practice. Where required, measures will be taken to ensure the accessibility of policies and procedures for all Employees and Students.

The Library

Librarian: Cathal McCauley, BA, MLIS, Dip FM, ALAI

The *John Paul II Library* was opened in 1984 and is the main College and University Library, named after the Pope who blessed the foundation stone during his visit to the College on 1st October 1979. A major €20 million extension was completed in 2013.

The Russell Library is a research Library containing the early printed books, manuscripts and archives, and a collection of about two-thousand bibles in over six-hundred languages.

The *John Paul II Library* contains approximately 1,500 reader places and more than 200 PCs available in the Library. Print book stock current numbers in excess of 420,000 volumes, the library provides access to over 300,000 electronic books and over 40,000 journals primarily in electronic format. The Library is a beneficiary of the statutory deposit provisions of the Copyright and Related Rights Act, 2000.

Books are arranged according to the Dewey Decimal Classification and most are available for borrowing. The reference books for each subject area are shelved at the beginning of the sequence. Books in heavy demand for undergraduate courses are clearly identified and have a restricted loan period so they will be available for the use of as many readers as possible.

The Library provides a wide range of services to the staff and students of the College. To follow the latest news about the Library log onto our website at <https://www.maynoothuniversity.ie/library>, follow us on Twitter or Instagram or ‘like’ our Facebook page.

The Library provides a range of training throughout the academic year including Library Information Skills Tutorials (LIST) and subject-specific sessions. Online versions of these tutorials are available from the Library website along with a range of useful guides and information https://nuim.libguides.com/guides_tutorials. Members of Library staff are available to help with general enquiries at the Information Desk.

[*Library Search*](#), available from the Library homepage, provides access to a range of print electronic resources held in the Library. Details of how to access this information off-campus is provided on the web site. Access to other academic libraries can be arranged and inter Library lending facilities are available for material not held in the Library.
